

Emergency Relief to Beirut Blast, Lebanon

On 4th of August, an explosion rocked the port of Beirut. The damage is extensive and devastating, over 150 people are reported dead, 5,000 injured, more than 180 people are still missing, and left up 300,000 people homeless. Such a catastrophe is a major crisis, yet it comes in the midst of a second wave of covid-19 pandemic and an increasing food insecurity in Lebanon.

HKCC immediately donated USD 20,000 to YMCA Lebanon which will introduce first stage humanitarian assistance. We will keep on updating the latest information, and hereby urge for your donation to help the people affected by this devastating blast.
