Pray for Ukraine
Justice and Social Concern Committee
Hong Kong Christian Council

The Lord of peace and justice, we pray for Ukraine today.

We pray for peace in Ukraine that all battles and conflicts will end as soon as possible. May justice and righteousness prevail, so that peace and freedom can be restored in the land of Ukraine.

We pray for those who suffer with the fear of war and those who lose hope in their life, and those who do not know their way during war. May the Holy Spirit of comfort guide them so that they can find hope and peace in the Lord.

We pray for the church and believers in Ukraine, that the Lord's comfort and faithfulness will be greatly bestowed upon the church, enabling it becoming a fortress, a castle, and a stronghold of the city for people in the midst of the war.

We pray for those who have the power to bring about peace and stop war. Guide their minds with Your wisdom, discernment, and mercy, so that they would choose love and to make peace, lay down their arms and stop war. They should resolve their disputes in peaceful manner and with mutual respect, and not causing any casualties to innocent people.

We pray for everyone who are in danger and fear. Your mighty hand will uphold them and protect them and give them peace in areas of conflict and war.

We ask You that we may join with the people of Ukraine in prayer, and may the Holy Spirit intercede for the people of Ukraine with sighs too deep for words. May the Lord's mercy be with them, and Your divine will to be done.

We pray in the name of the Lord Jesus.

Amen!
